

BRITISH-AMERICAN BUSINESS CONNECTIONS

About BABC-PNW

British-American Business Connections (BABC-PNW) is the leading transatlantic business trade association in the Pacific Northwest and part of the BritishAmerican Business Network. Our work is focused on areas that strengthen the economic corridor between the US and the UK by supporting policies and actions that protect and enhance the environment for transatlantic trade and investment on behalf of our members in the US Pacific Northwest and the UK.

Join BABC-PNW

Our members include multi-national corporations, small-to-midsize enterprises, small business innovators and entrepreneurs, growth-stage companies, British companies with operations in Washington, Oregon, Idaho, and states surrounding the Pacific Northwest region. The companies come from varied industries and sectors keen to grow trade in the UK and with Global Britain. Members of our chapter represent industry sectors such as advanced manufacturing, aerospace and defense, biotech, life sciences, fintech, logistics, professional services, technology, and retail.

In collaboration with the BritishAmerican Business Network chapters across the US, UK and Canada, our members satisfy their business goals by:

- Connecting and developing their regional, transatlantic, and global business/ operations
- Exploring and/or pursuing transatlantic operations and expansion
- Cultivating professional and business relationships
- Extending a reach into Global Britain opportunities

Member Benefits

Our members benefit from transatlantic business, UK trade activities and initiatives rooted under four key pillars:

- Relationship and business development
- Regional and community exchange
- Business promotion
- Advocacy and governmental interaction
